Spacious country living meets turnkey hobby farm opportunity with this impressive 2,660+ sq. ft. two-story home built in 2003 and situated on a 18+ acre parcel. Offering an excellent potential hobby farm on a 18-acre home site that provides privacy and room to enjoy the rural lifestyle. This fully finished home features 3 bedrooms plus and office/crafts room, 3 bathrooms, and a bright open floor plan designed for family living and entertaining. The spacious kitchen includes a large pantry, breakfast nook, and newer appliances while the massive 600+ sq. ft. entertainment/theater room creates the perfect gathering space for family and friends. Comfort is a priority with in-floor boiler heat in the main floor, natural gas forced-air heating for the second story plus air conditioning for those warm summer days. Numerous upgrades have been completed throughout the home. Outside you will find a double attached garage approx 20 X 24, corrals, garden area, greenhouse, and an impressive 40 x 80 Quonset shop complete with rolling stock doors and a concrete floor offering exceptional storage and workspace. A fantastic opportunity for hobby farming, livestock, or anyone looking for wide open space as the possibilities abound with this property with acreages of this nature at a premium - the proposed subdivision is approx 18 acres with the house, garage and shop all within the parcel. The sign is up and this property is waiting for the new owner!!!
